To take the examination and others, safely.

We ask your cooperation in the following contents so can take the exam safely with peace on mind.

- Wearing the mask is basically left to individual judgment. But we recommend wearing a mask as it may not be possible to maintain a physical distance (2 meters or more) from other people in the room.
- The child must come with one companion, bring siblings only in the last case.
- Please, measure the temperature at home and come to the exam.
- Please do not bring siblings with you who have had to miss Nursery, School, etc. because they closed and/or due to the spread of infectious disease contamination.
- If the child and the family companion have one of the symptoms below, it is necessary to change the scheduled date by phone [0538-37-2012].

- ① It is feverish above 37.5 degrees, has a cough, runny nose, etc. flu symptoms.
- ② Have symptoms of vomiting, diarrhea, etc.
- ③ In addition to the symptoms above, is not feeling well.

※If there is an adjustment in the number of children to be treated on the day of the exam, due to the spread of an infectious disease, the target month and schedule may be changed.
