Enforcement applies to people aged 16 and over

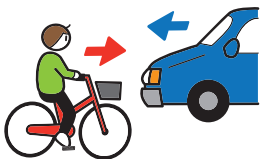

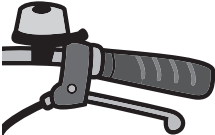

# Fines for bicycle violations

The traffic violation ticket system (fine system) will also apply to bicycle traffic violations

For relatively minor traffic violations, a traffic violation ticket (blue ticket) will be issued. If the violator pays the fine, they will not be subject to criminal penalties. Due to a legal revision, this system will now also apply to violations by bicycles and other light vehicles.

Examples of violations subject to enforcement with a blue ticket

<p>Running a red light</p>  <p>¥6,000</p> <p>Ignoring a flashing signal : ¥5,000</p>	<p>Failure to stop temporarily</p>  <p>¥5,000</p>	<p>Riding on the right side of the road</p>  <p>¥6,000</p>
<p>Using or holding a mobile phone, etc.</p>  <p>¥12,000</p>	<p>Entering a railroad crossing when prohibited</p>  <p>¥7,000</p>	<p>Defective braking equipment (brake malfunction)</p>  <p>¥5,000</p>

※ These violations are only examples.

Follow traffic rules and strive for safe travel!
